

DIEBOLD OPTEVA® 529 LOBBY CASH DISPENSER

Small size ... big benefits

CREATING OPPORTUNITIES

The robust functionality of the Opteva 529 ATM includes revenue generating opportunities including biometrics, two-dimensional barcode scanner for bill payment, contactless card reader for e-purse and mobile top ups.

DELIGHTFUL CONSUMERS

The Opteva 529 ATM offers four cassettes to enhance capacity and ensure greater availability for self-service transactions. Intelligent modules forecast maintenance needs enabling proactive responses to replenishment needs. With industry-leading uptime, Opteva technology provides consistent convenience for consumers and peace of mind for you.

SIMPLIFYING INSTALLATION

Offering one of the smallest footprints in the industry, the freestanding Opteva 529 ATM can be placed anywhere. This flexibility maximizes valuable floor space and presents numerous placement options.

SECURING ASSETS

The latest fraud prevention solutions are engineered into the Opteva 529 ATM to combat growing card fraud and digital security threats. Minimizing your exposure and enhancing consumer security are paramount in all Diebold self-service solutions.

We've got a solve for that.™

YOUR PEACE OF MIND IS PRICELESS

For the highest level of reliability and continuous accessibility from your ATM channel, put your trust in a proven leader. Diebold technology operates easily, profitably and securely, so your channel runs as efficiently as possible. Our self-service solutions provide maximum durability for high return on your investment. Diebold Opteva hardware and Agilis® software platforms were designed with an eye toward the future by ensuring upgradeability and delivering tomorrow's self-service terminals today.

Enjoy the peace of mind only Diebold technology delivers. From ease of installation, to the latest in security features and maximum availability, Diebold offers reliable solutions that boost profitability. Choose dependability. Choose Diebold.
