

# DIEBOLD OPTEVA® 740 ADVANCED-FUNCTION, THROUGH-THE-WALL DRIVE-UP ATM

Greatest configuration flexibility in a multi-function drive-up

## MULTI-CHANNEL SOFTWARE

Agilis® software, Diebold's high-performance solutions platform, performs in a cross-vendor environment and connects to web applications, back-office systems and other customer channels to maximize your brand, personalize transactions and deploy new functionality quickly.

## SECURITY SOLUTIONS

The enhanced security features integrate the latest in fraud-prevention technology to reduce your exposure while offering your customers an increased sense of security.

## OUTSTANDING AUTOMATION

An Intelligent Depository Module® accepts stacks of up to 30 envelope-free checks while an integrated dispenser offers a single entry point for presenting and receiving envelopes. Want more? Offer deposits for up to 50 notes.

## FLEXIBLE ARCHITECTURE

Opteva® 740's flexible architecture lets you easily—and cost effectively—transition from a cash dispenser to an advanced-function ATM at your own pace.

## ULTIMATE RELIABILITY

Opteva technology delivers one of the highest levels of uptime in the industry. That means consistent convenience for customers and peace of mind for you.

We've got a solve for that.™

# YOUR PEACE OF MIND IS PRICELESS

For the highest level of reliability and continuous accessibility from your ATM channel, put your trust in a proven leader. Diebold technology operates easily, profitably and securely, so your channel runs as efficiently as possible. Our self-service solutions provide maximum durability for high return on your investment. Diebold Opteva® hardware and Agilis® software platforms were designed with an eye toward the future by ensuring upgradeability and delivering tomorrow's self-service terminals today.

Enjoy the peace of mind only Diebold technology delivers. From ease of installation, to the latest in security features and maximum availability, Diebold offers reliable solutions that boost profitability. Choose dependability. Choose Diebold.
