

DIEBOLD OPTEVA® 828 LOBBY ATM

Where functionality and flexibility meet

DEPOSIT AUTOMATION, CASH-DISPENSING AND CASH-RECYCLING TECHNOLOGIES COME TOGETHER IN AN ADVANCED-FUNCTION FRONT-LOAD ATM.

UPGRADEABLE

The Opteva 828 ATM offers a migration path from cash depositing and dispensing to full recycling. Start by using the recycling module in cash-in mode with the optional dispenser and then migrate to recycling via simple software changes.

FLEXIBLE

The Opteva 828 ATM presents a complete suite of deposit automation solutions tailored to your individual needs. Optional check-deposit functionality and cash-dispenser modules make it the ideal solution for a broad range of transaction environments.

EFFICIENT

In addition to deposit automation capabilities, the Opteva 828 ATM also performs cash-recycling functions. When integrated into your self-service network, cash recycling optimizes cash management by reducing costs and shortening the cash cycle.

EASY TO USE

Offering three Depository styles gives you the options that are widely accepted in different markets so your consumers can enjoy an intuitive and rewarding experience.

We've got a solve for that.™

YOUR PEACE OF MIND IS PRICELESS

The Opteva flex performance series offers advanced deposit automation technology with the integrated flexibility to migrate to full cash recycling. High performance, adaptable features optimize total cost ownership and growth opportunities.

OPTEVA 828 ATM FEATURES
